FUNERAL OF FATHER MCCARTY.

As stated in the Gazette of that day, the remains of the late Rev. F. X. McCarty, who died Sunday night at Providence Hospital, in Washington, reached this city yesterday evening and were at once removed to St. Mary's Church, of which the deceased was for many years a stant pastor. The casket which was placed on a catafalque, was opened and the body laid in state, and was visited by a large number of friends of the deceased. Messrs. J. D. Normoyle and William H. Sweeney, representing the Young Men's Sodality of the church, went to Washington and escorted the remains to this city, and were met by a delegation from the Lyceum. Last night the officers for the day were elected at the church by the members of the Ladies' Sodality and Young Men's Sodality, and a guard of honor from the Y. M. S. L. remained in the church until this morning, when a solemn high requiem mass was said by Rev. J. B. Rieker, vicar general of the diocese—who was celebrating in the absence of Bishop Van de Vyver, who is now in Europe—assisted by Rev. Father Frigid, deacon, and Rev. Father Kelly, sub-deacon. The services, which were largely attended by Protestants as well as Catholics, were very impressive, especially the recital of the Litany by all the priests present. Rev. Father Cutler in his short tribute to the deceased said it was unnecessary to deliver a lengthy eulogy on his life as his many good and true virtues, his exemplary life and Christian spirit spoke volumes and had endeared him to those with whom he came in contact, irrespective of religion. In conclusion the speaker spoke in glowing terms of the deceased as a minister of the church, of the faithful discharge of his duties and of the untiring zeal with which he worked among his parishioners who were stationed in this city, and hoped that the reward would be an everlasting life of happiness and sunshine, where the fleeting, transitory pleasures of this life were as nothing compared to those of the Land for which the deceased had striven. A large number of priests from the District of Columbia and all parts of Virginia participated in the ceremonies, among whom were Rev. Fathers Cutler, Bowler, Kelly, Massie, McKee, Kelly, Ahearn, O'Farrell, Drake, Doherty, Walsh, O'Sullivan and Wilson. Mrs. Scov, sister of the deceased, was also present. The Sisters of the Holy Cross now stationed here and several from Washington, Baltimore and other places attended the funeral in a body. The remains were interred in St. Mary's cemetery. The pallbearers were Messrs. Wm. H. P. Kelly, Wm. H. Sweeney, John D. Normoyle, James T. Lawler, J. P. Laphen, Wm. Desmond, F. T. Quinn, Dr. E. A. Gorman and Dr. M. D. Deane.

THE TRIGG COMPANY.—President W. R. Trigg, of the Trigg Shipbuilding Company, was greatly surprised to see a report from Alexandria, in effect that a meeting had been held in that city to open subscription for \$1,000 stock in a company to be managed by the Trigg Company and to be established at Alexandria.

Mr. Trigg declares that there is absolutely nothing upon which the Alexandrians could base their action. No person has authority to make such a proposition for the Trigg Company, and the idea of establishing yards elsewhere has not been seriously considered by the company. Propositions have come, he says, from Norfolk, Portsmouth, Gloucester Point, Alexandria and elsewhere, but the company has had no idea of taking any action in either of the number. The subject, he says, will not even be mentioned at the next meeting of the directors of the company.

A dispatch from Richmond says Mr. William R. Trigg, president of the William R. Trigg Shipbuilding Company, when shown a dispatch about the Alexandria meeting, said it was all news to him. He said his company had not made any proposition looking to moving away from Richmond, nor did they contemplate any such step. Neither he nor, as far as he knew, any other officer of the company had either made or authorized any such proposition. The people of Alexandria had been very anxious to secure a plant, but he did not know what the situation was. In other quarters it was suggested that the proposition was made by Mr. Dan Trigg, of Washington.

HEAVY FINE.—Ernest Travers was arrested by Officer Atkinson last night at 11 o'clock on complaint of Mrs. Haney for disorderly conduct and abusive language. While the war was being made out the officer saw Travers trying to make his escape and when he attempted to arrest him, violent and a violent resistance was made accompanied with the foulest language and threats, one of the threats being: "I (a police commissioner) have you, you big ———, the first on the list to go off the police force." The Mayor this morning fined Travers \$5 for the first offense and \$10 for the second, accompanying the latter fine with the remark that criminals who invoked the vengeance of a police commissioner upon an officer for doing his duty would receive very little sympathy in his court, and if he knew of a commissioner making a threat he would treat him the same way.

TO VISIT VIRGINIA.—M. E. Church, of Falls Church, chairman of the executive committee of the Virginia Pharmaceutical Association, has been officially notified that Mr. Simon N. Jones, President of the National Association of Retail Druggists, will attend the annual meeting of the Virginia Pharmaceutical Association, which will be held this year at Ocean View, beginning on July 17. Mr. Jones will deliver an address at this meeting, and as he is prominent in the drug business throughout the country and having had a long experience in the business, his remarks will doubtless be of great interest and value. The President of the Virginia Pharmaceutical Association is Dr. A. W. Eley, of Suffolk, Va. It is expected that several of the druggists of this city will attend the meeting.

PERSONAL.—Mrs. General Fitzhugh Lee and Miss Virginia Lee, who have been stopping at the Shoreham, in Washington, for several days, have gone to Capon Springs for the summer. Mr. J. M. White is sick at his home on Seminary Hill.

Rev. E. V. Regeister, formerly pastor of M. E. Church, South, in this town, accompanied by his wife, came up to Leesburg on Monday and were the guests of Mr. Jos. L. Norris. Mr. Regeister returned to Alexandria on Tuesday, but Mrs. Regeister will remain some days.—Leesburg Mirror.

The steamer Graf Waldersee, from New York, on which Messrs E. S. Taylor, J. Schneider and Mrs. A. E. Smoot sailed has arrived safely at Plymouth, England.

Miss Maggie D'ane has gone to the Greenbrier White Sulphur Springs to stay a few months.

The family of Mr. T. A. Groves have gone to Seminary Hill to spend the summer.

Miss Jennie Hart, of South Carolina, is visiting Mr. H. F. Robertson.

CORPORATION COURT.—Judge J. K. M. Norton presiding.—Commonwealth vs. John Williams, colored, indicted for rape upon Maud Blackburn, a small colored girl; jury and verdict of guilty and punishment fixed at 20 years in the penitentiary.

Commonwealth vs. C. S. Way, appeal from Mayor's decision in imposing a fine for selling pictures, &c., without a license; mayor's decision imposing a fine of \$100 sustained. Appeal noted.

Commonwealth vs. John Williams, colored, indicted for rape upon Daisy McGuire, a small colored girl; nol. prosequitur.

The pension papers of Virginia G. Walker, Alice V. Hawkins, Johanna Quinn, Mary V. Arnold and J. R. Lawrence were approved.

Wm. F. Webster was appointed a constable for the First ward.

The case of Melakiah Ballard, indicted for horse stealing, was set for trial tomorrow.

BILLS SIGNED.—The Mayor has signed nearly all the bills passed by the City Council at its last meeting though he says he was somewhat opposed to several of them, not to the extent, however, of calling Council together during the heated spell to consider vetoes. The assistant to the engineer of the city, the Mayor thinks, is certainly a superfluous attachment, and he says Messrs. Lawler, Evans and others have persistently disclosed to the public the efforts of the street committee to appeal economically, but it is news to him that Mr. Dunn required an assistant when he was repeatedly complaining that he had so little to do himself, and no one was ever employed except to drag a chain or carry a surveyor's rod. The Mayor, after consulting with the City Engineer, this morning, signed the bills making appropriations for improvements, with the understanding that all work should be done by contract after advertising for proposals.

KNIGHTS OF COLUMBUS.—At the meeting of the Knights of Columbus last evening Grand Knight W. S. Bowen presiding, preliminary arrangements were made for the contemplated trip to Alexandria. A new council of the order is to be instituted in that city on Sunday next and many of the Newport News knights will attend the ceremonies together with several hundred from other cities in Virginia, Maryland and the District of Columbia.—[Newport News Press.]

The members of Fitzgerald Council, Knights of Columbus, met last night and completed arrangements for the initiation of the members and the organization of the council at Odd Fellows' Hall next Sunday. Work will be begun at 10 o'clock a. m. and, with a slight intermission at noon, will be continued all day.

MANAGER PHILLIPS INDICTED.—As stated yesterday the grand jury in the United States court that afternoon reported an indictment against R. H. Phillips, manager of the Washington, Arlington and Falls Church Railway Company, for injuring the United States telephone poles. The offense was alleged to have occurred near Fort Myer during the Spanish-American war. Mr. Phillips was charged with tampering with the poles of the government line connecting with Fort Hunt in the construction of his railroad trolley line, at a time when it was of vital importance to maintain communication with military posts.

POLICE COURT.—Mayor George L. Simpson presiding.—The following were disposed of today:

Ernest Travers charged with trespassing and defacing the property of Bertha Haney and resisting an officer while in the discharge of his duty, was fined \$10.

Samuel Page, colored, charged with assaulting and beating Charles Stewart, was dismissed.

Night Report.—Last night was clear and mild. Two prisoners were at the station house.

HANDSOME MONUMENT.—Chauncey Brothers, marble cutters, have completed and have in their yard in this city a handsome monument of Quincy granite appropriately inscribed to the memory of Robt. T. Chewning, who was killed by a Southern Railway train in this city a little more than two years ago. Mrs. Chewning will in a few days have the monument shipped to Milford, Va., near where it will be erected over the grave of her husband.

MAINTAINING A NUISANCE.—Among a number of indictments reported in Washington yesterday afternoon by the grand jury was one against Patrick Mann, for maintaining a nuisance in connection with his "bone factory" on the shores of the Potomac river, below Giesboro', and one against O. C. Culley for libel, in making statement derogatory to Adjutant General Corbin, United States army.

ROW ON AN EXCURSION.—The River View excursionists on their way up the river last night were thrown into excitement by a fight among some Washingtonians and Alexandrians, which started soon after the steamer left River View and continued until this city was reached. No one was seriously hurt but the row was very annoying to those who were quietly disposed.

John O'Neil, an old colored man of Alexandria county, was yesterday fined \$5 in Washington for over-working a pair of horses, which he had driven to Washington with a load of bricks.

U. S. COURT.—Judge Edmund Waddill presiding.—The grand jury returned two true bills against Peter Tibbs, colored, of Orange county, indicted yesterday with Cato Lewis for fraudulently obtaining a pension.

The grand jury was then discharged for the term.

Cato Lewis, colored, indicted for violating the pension law; jury and verdict of guilty and sentenced to 10 years in the penitentiary.

W. H. Richards, indicted for passing spurious nickel pieces; jury and verdict of guilty and sentenced to 10 years in the penitentiary.

Richards, who had lost money in a slot machine in Newport News, made spurious nickel pieces which he used to get even. He used bad nickels from one pocket and all of his winnings from the machine he transferred to another pocket—thus making his winnings practically sure. As Richards was getting his money back the U. S. authorities appeared upon the scene and interfered with his little game.

Gu. Dorsey, colored, indicted for robbing the postoffice at Lovettsville, Loudoun county; jury and verdict of guilty and prisoner sentenced to one year's imprisonment and to pay a fine of \$25.

DEATH OF A FORMER RESIDENT.—Mr. Joseph R. Flanigan, who formerly resided in this city, died in Philadelphia at 3 o'clock yesterday afternoon. The deceased was a native of Philadelphia and moved to Alexandria about five years ago and practiced his profession as a lawyer. He was at one time a candidate in the democratic primary for Commonwealth's Attorney. He had been a sufferer from pulmonary trouble for some time, and a few months ago, his condition growing worse, he returned to his old home to die. Mr. Flanigan leaves a widow and several children. He was out of a jovial nature, and during his sojourn here made many friends and acquaintances. The remains will be buried in Philadelphia on Saturday morning. The deceased was a member of Alexandria Division, Ancient Order of Hibernians, of this city, and a meeting of that organization will be held tomorrow night to take suitable action in respect to his memory.

STRAW RIDE.—The young ladies of the "Old Maid's Club" gave a straw ride to a number of their gentlemen acquaintances last night. The route selected was over the roads of Fairfax and after a pleasant ride the party was sidetracked at the residence of Mrs. Jesse Murray, where some hostesses greeted the friends with true old Virginia hospitality. During the evening dancing, singing and cake walking were indulged in, while the company was entertained by selections on the phonograph manipulated by Mr. Murray. After partaking of a bountiful spread of the delicacies of the season, the party wended their way homeward, much pleased with the cordial reception accorded them.

SENT TO THE PENITENTIARY.—John Allen "Piggy" Williams, colored, was today found guilty in the Corporation Court of a criminal assault upon a little colored girl named Maud Blackburn, last week, and was sentenced to serve 20 years in the penitentiary. The evidence against him was clear and it took the jury but a short time to reach a verdict. He was this evening called for trial for a similar offense committed last May upon a small-minded colored girl named Daisy McGuire, but a nol. prosequitur was entered in the case.

Henry Holzendorf, a well-known young colored man of this city, died last night.

It Is Perfectly Reliable.

"We have sold many different cough remedies, but none has given better satisfaction than C. A. B. C.," says Mr. Charles Holzhauser, Druggist, New York, N. Y. "It is perfectly safe and can be relied upon in all cases of coughs, colds or hoarseness." Sold by all druggists.

After many intricate experiments scientists have discovered methods for obtaining all the natural digestions. These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. It digests what you eat and allows all dyspepsias to eat plenty of nourishing food while the stomach troubles are being radically cured by the medicinal agents it contains. It is pleasant to take and will give quick relief.
